

Race Track Industry Program

How to Become a Race Track Industry Program Student

Application to the RTIP is handled by the University of Arizona Department of Admissions, not with the RTIP directly. The U of A web site also has all the information you need about financial aid, housing, etc.

Undergraduate Admission Application Deadlines

Domestic students

For fall semester – April 1
For spring semester – Nov 1

Foreign Students

For fall semester – April 1
For spring semester – October 1

Step 1

Go to www.arizona.edu and click future students – you may apply online or download a paper application.

Step 2

In the application process, choose the College of Agriculture and Life Sciences as your college and Animal Sciences as your major – you will NOT see an option for the RTIP at this point.

Step 3

If you are a transfer student, you may contact Wendy Davis at the RTIP to determine how your transfer classes can be applied to your degree at the U of A.
