

The Elizabeth Bracken Memorial Scholarship

The New York Racing Association's **Elizabeth Bracken Memorial Scholarship** is designed to support and encourage students enrolled in the University of Arizona Race Track Industry Program (RTIP) to secure a career in the Thoroughbred industry.

The \$10,000 annual scholarship is open to students in their junior and senior years who have completed one full semester in the RTIP and have expressed the desire to work in the industry. Funding will be split into two parts – with \$5,000 awarded for the fall semester and \$5,000 for the spring semester.

The scholarship honors the memory of Elizabeth Bracken, an RTIP graduate who spent 16 years at the New York Racing Association, including five as Vice President of Simulcasting, before returning to RTIP as associate coordinator and an instructor. Bracken died in November 2019.

Eligibility:

- Applicants must demonstrate a commitment to seeking employment in the thoroughbred industry.
- Scholarship is open to RTIP students in their junior and senior years. All applicants must have already completed one full semester at the University of Arizona.
- Students who receive scholarships in their junior year will be eligible for a scholarship in their senior year, provided they have completed an internship with NYRA during the summer after their junior year.
- Students must maintain a 2.5 grade-point average and have full-time status in the RTIP (*If either of these requirements are not met, NYRA reserves the right to withhold the scholarship commitment for the spring semester of 2022*).
- Applicants must be RTIP students who are residents of the U.S., Canada, or Puerto Rico.

Selection Process & Criteria:

The Elizabeth Bracken Memorial Scholarship Committee is comprised of NYRA officials and staffers, several of them who are RTIP graduates.

The committee reviews all applications and awards scholarships on the basis of academic merit, desire to seek a career in the Thoroughbred industry, and the strength of written essays.

To Apply:
